# MR. ARCHIT RATHI

## FOUNDER & CEO

Archit Rathi, founder of Vaastvik Design Group, has led the successful completion of over 1200 projects, consistently delivering on time. With a commitment to quality and luxury, the company boasts a 95% client satisfaction rate.

Recognized twice as a jury member at Acetech, Archit's expertise and dedication set him apart in the industry. At Vaastvik Design Group, we transform spaces into luxurious, personalized havens that capture the essence of our clients' lifestyles.

# WHO IS VAASTVIK DESIGN GROUP?

Vaastvik Design Group is a premier interior design company dedicated to transforming spaces and enhancing lives.

For the past 8 years, we have been delivering exceptional design solutions that reflect our clients' unique styles and needs. Our comprehensive portfolio showcases a variety of successful projects, each a testament to our expertise and commitment to excellence.

## **Our Mission**

Vaastvik Design Group, our mission is to create inspiring and functional spaces that enhance everyday living through innovative design, client-centric solutions, and sustainable practices. We strive to exceed expectations by delivering high-quality projects on time, reflecting our commitment to excellence and creativity.

## **Our Vision**

Our vision is to be a leading interior design firm known for transforming spaces into timeless, elegant environments that reflect the unique personalities and lifestyles of our clients. We aim to set new standards in the industry by embracing innovation, sustainability, and excellence in every project we undertake.

**SERVICES WE OFFER TO YOU**

## *Interior Design*

### **Why Interior Design Is Essential For You ?**

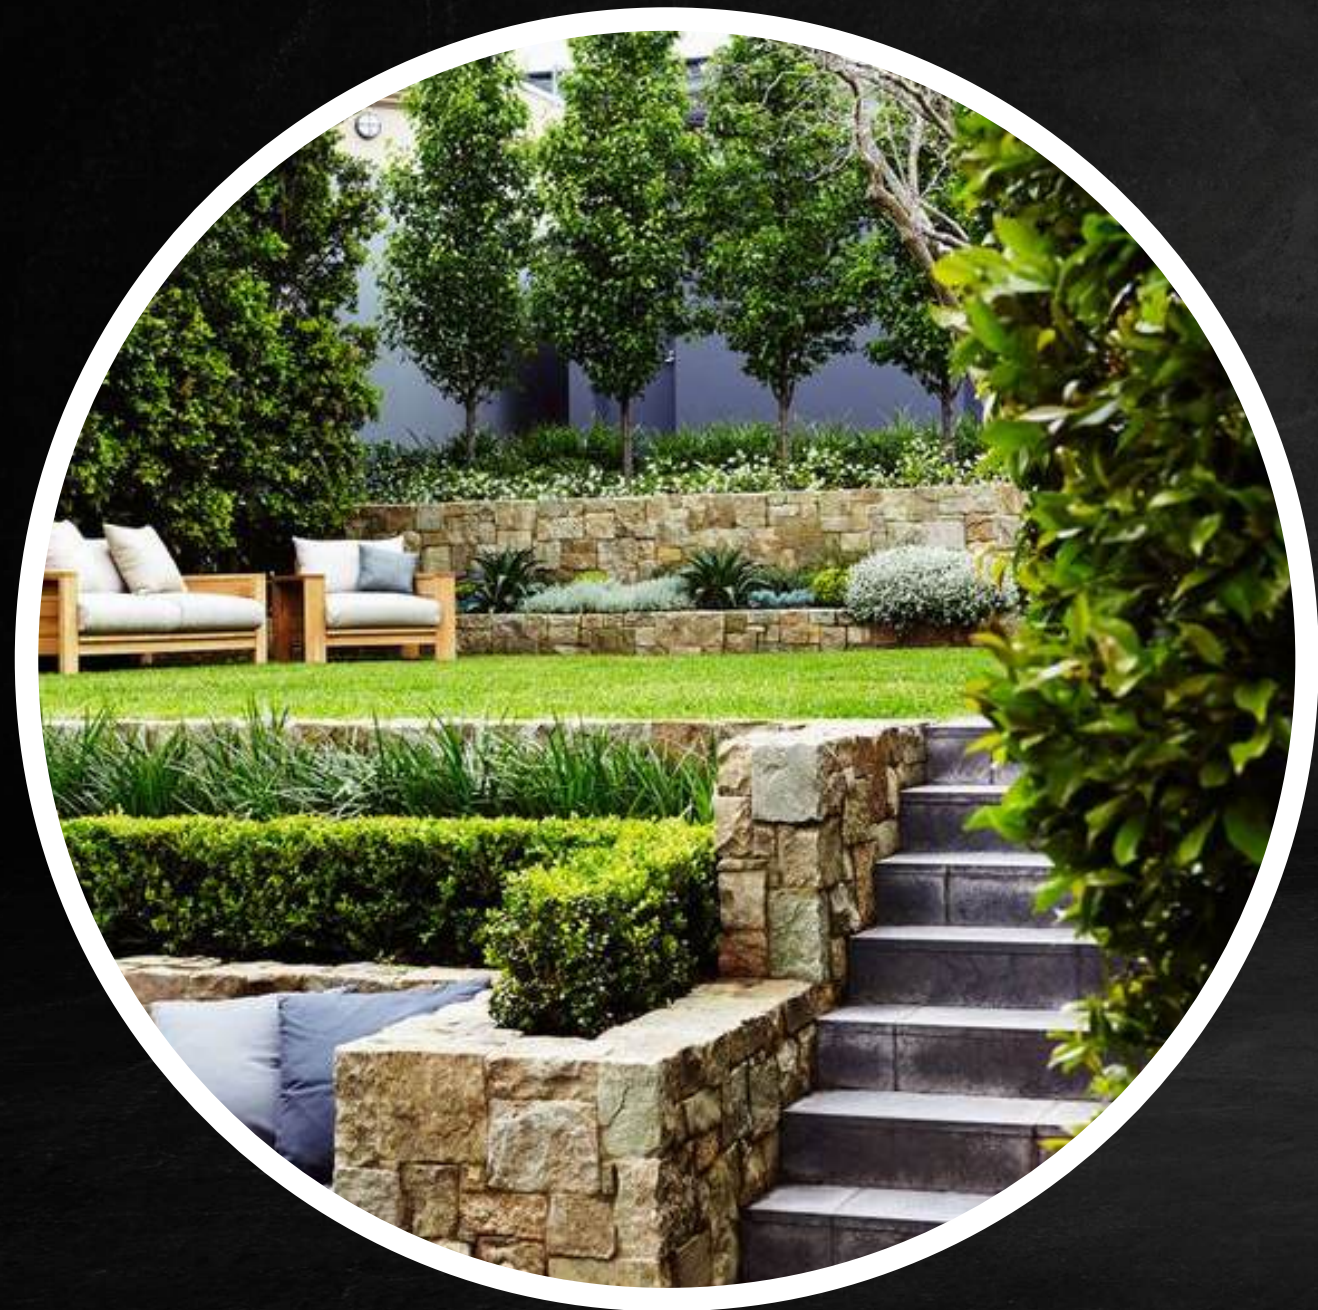

Interior design is essential because it maximizes space utilization, creates visually appealing environments, boosts property value, and ensures comfortable living spaces, enhancing daily life.

## *Architecture*

### **Why Architecture Is Essential For You ?**

Architecture is essential for creating safe, stable, and functional structures. It enhances aesthetics, boosts property value, and promotes sustainability through efficient, eco-friendly design.

## *Landscape*

### **Why Landscape Is Essential For You ?**

Landscape design is vital for creating beautiful, functional outdoor spaces. It enhances property value, promotes environmental sustainability, improves outdoor living quality, and supports biodiversity by integrating natural elements.

# *Lightning*

## **Why Lightning Is Essential For You ?**

Lighting design enhances functionality and aesthetics, improves visibility, sets the mood, highlights features, increases energy efficiency, and ensures comfort and safety.

# *Furniture*

## **Why Furniture Is Essential For You ?**

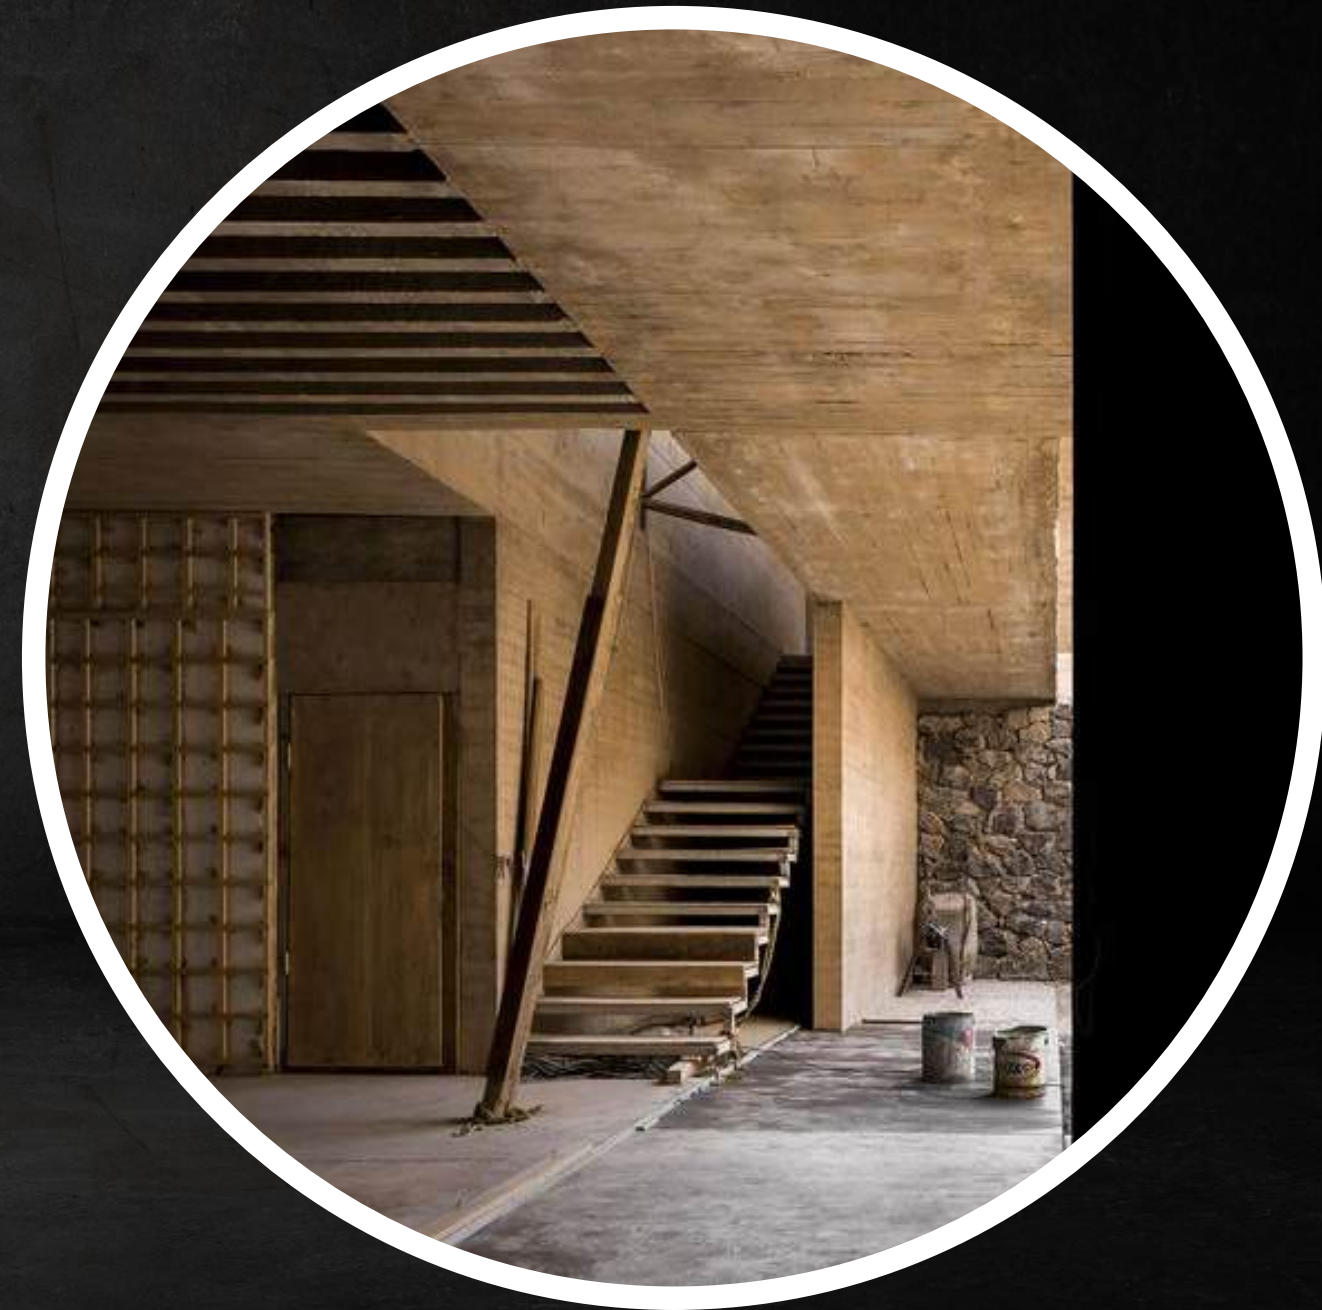

Furniture provides comfort, functionality, defines layout, supports daily activities, enhances aesthetics, reflects personal style, and maximizes space utilization.

## *Construction*

### **Why Construction Is Essential For You ?**

Construction is vital for creating safe, durable, and functional structures. It transforms designs into reality, ensuring stability, meeting regulatory standards, and providing essential infrastructure for living and working.
